

BIG Ideas 2020

WIN
 an awesome science experience

Including: Flights, travel, accommodation and meals

What's your big idea that could change the world?

Teams of two

ANSTO Big Ideas encourages students to creatively communicate the work of an Australian scientist, and explain how their work has inspired them to come up with a Big Idea to make our world a better place. It is intended to engage and support Australian students in years 7-10 in Science and encourage them to pursue studies and careers in STEM.

Open to students — from years — 7-10

Entries close 4 Dec 2020

How to enter

- Speak** to your teacher
- Research** an Australian scientist and their scientific discovery and create your Big Idea
- Storyboard** and script what you're going to say
- Shoot** and edit your video 2 mins (maximum)
- Submit** A teacher must submit your application by 4 Dec 2020

Your Big Idea could win you an awesome Science Experience at the Australian Synchrotron in Melbourne (Y7-9) or at the ANSTO campus in Sydney (Y10). Prize includes flights, travel, accommodation and meals for your team and teacher.
