

1 July 2020

Returning to your regular delivery schedule

We're pleased to let you know that from 6 July, we will be transitioning back each customer to the regular delivery schedule of their Gentech® Generators pre COVID-19.

We will be in contact with you directly to discuss individual requirements.

Thank you for your patience throughout this time. We're looking forward to returning to our regular production schedule for you.

Further information regarding our other products is available below.

If you have any questions, please contact our Customer Service team

Phone: 1800 251 572 or +61 2 9717 9992

Email: health@ansto.gov.au
