Public Interest Certificate

This public interest certificate is issued under section 22(1) of the *Government Procurement (Judicial Review) Act 2018 (Act)*.

I, Dr Adrian Paterson, as the Chief Executive Officer of the Australian Nuclear Science and Technology Organisation (**ANSTO**), as a duly authorised delegate of the accountable authority for ANSTO, being the ANSTO Board of Directors of the Organisation, hereby state that it is not in the public interest for the following procurement by ANSTO to be suspended while complaints under section 18 of the Act are being investigated or while applications for injunctions under Part 2 of the Act are being considered.

Accountable Authority Delegate Approval

As a duly authorised delegate of the ANSTO Board of directors, approve the issue of this Public Interest Certificate, as I have formed the view that a delay to the covered procurement would cause a real adverse impact to the public interest in relation to health, national security, safety, public security or economic or financial well-being of the people of Australia or the functioning of ANSTO.
